'THE MAKING OF NDP 09' EXHIBITION AT S'PORE DISCOVERY CENTRE

Exhibition Period - 08 July to 15 August 2009

1. S'pore Discovery Centre presents the FIRST EVER exhibition that lets visitors take a peek into what makes a National Day parade successful.
2. At *'The Making of NDP 09' Exhibition*, visitors will get to view and witness all the excitement and hard work that went into planning and executing this year's National Day Parade. This is an exhibition not to be missed, as we cover the journey of the various participants while they prepare for one of the biggest shows in Singapore.
3. Find out fun facts about the participants and interesting information of the parade. Get up close to the props and costumes that are going to be used on the actual day itself.
4. Read the heartwarming stories about the hard work that goes into the making of the Funpack for everyone at the parade.
5. Ever seen a REAL 25-Pounder Gun used in the 21-Gun Salute? Come into close proximity with it at the outdoor exhibition display.
6. Look at the amazing design of the Floating Platform stage being presented in a form of a 3D visualization.
7. Pledge your dreams for Singapore at the indoor expression's corner exhibit.
